ARMY POSTS.

L E T T E R

FROM

THE SECRETARY OF WAR,

TRANSMITTING.

IN RESPONSE TO A SENATE RESOLUTION OF THE 6TH INSTANT,
DETAILED INFORMATION WITH REFERENCE TO ARMY POSTS
IN THE UNITED STATES AS A PARTIAL COMPLIANCE WITH THE
RESOLUTION.

JANUARY 28, 1916.—Ordered to be printed.

U. S. WAR DEPARTMENT,
Washington, January 27, 1916.

HON. JAMES M. BAKER,
Secretary Senate of the United States,
Washington, D. C.

DEAR SIR: Referring to resolution by the Senate of the 6th instant, that the Secretary of War furnish to the Senate, if not incompatible with the public interests, certain information with reference to Army posts in the United States, I have the honor to transmit herewith detailed information covering the first four items of the information requested. As to the fifth and sixth items, I am not now prepared to make specific recommendations on this subject, as the passage of any of the bills now before Congress looking to an increase in the Military Establishment would probably require the use of all Army posts now available.

Very sincerely,

LINDLEY M. GARRISON,
Secretary of War.
